

RESEARCH PARTICIPANTS NEEDED

Have you ever been diagnosed with **Anorexia Nervosa**?

We are looking at the genetics of Anorexia Nervosa (AN) and need your blood!

You may be eligible to participate if you:

- are a woman between the ages of 18-65
- have a diagnosis of AN
- are in ongoing treatment **or** have recovered from AN

As a participant, you would give a blood sample and complete a short set of questionnaires, with an option to have breakfast and a second blood draw afterwards. You will receive a small honorarium for your participation, if eligible.
