## Improving Canadian Inpatient Eating Disorder Treatment: Perspectives of Individuals with Lived Experience

---

MA HPRO Thesis, Dalhousie University

# HAVE YOU BEEN REFERRED TO INPATIENT EATING DISORDER TREATMENT IN CANADA?

**I would love to hear about your experience!**

Participation involves a one-on-one virtual interview (approx. 1 hour) and a one-on-one virtual follow-up session (approx. 30 mins.).

Participants will be compensated up to **\$20** for their time (\$15 for interview, additional \$5 for follow-up)

Participants must:

- Be fluent in English
- Currently reside in Canada
- Have been referred to an **Inpatient Eating Disorder Treatment Program in Canada** while aged **18 years or older** between the years **2012 and 2022**
- **Not** be currently participating in inpatient eating disorder treatment

For more information, contact  
**[catherine.armour@dal.ca](mailto:catherine.armour@dal.ca)**

Any existing relationships between prospective participants and the lead researcher won't be affected by the decision to participate or to decline participation.
