

# ARE YOU INTERESTED TO JOIN A STUDY ABOUT THE IMPLEMENTATION OF CANADIAN PRACTICE GUIDELINES FOR CHILDREN AND ADOLESCENTS WITH EATING DISORDERS?

You are invited to join a national research study where we will evaluate an implementation strategy to enhance the uptake of Canadian Practice Guidelines for treating children and adolescents with eating disorders.

## **AM I ELIGIBLE FOR THIS STUDY?**

To be eligible, you must:

- Have access to a computer that is connected to the internet
- Be either (A) a healthcare professional, (B) a person aged 16–25 with lived experience of an eating disorder who completed treatment, or (C) a caregiver who is currently caring or has previously cared for a person aged 16–25 with lived experience of an eating disorder who completed treatment

## **WHAT WOULD I HAVE TO DO IN THE STUDY?**

1. Complete two 15-minute-long surveys approximately six months apart
  2. Review educational material on treatment guidelines for children and adolescents with eating disorders
- After completing the study, you will have the chance to win an \$100 gift card!
